A Message from the President ...

Well, Another great meeting at Donna and Dennis'. It was really great to have a beer tasting demonstration. I think everyone there got to know what a diacetyl and sour beer tastes like. Those were some really extreme examples but you really got the idea of what to taste for in your beer. Thanks to Jim, Tom and Charlie for providing the demonstration. It really makes me interested in learning more about beer tasting and maybe even work on getting BJCP certified.

Next meeting is really going to be a treat. April 17th we will be at The Body in the Bog at Herndon and Marks. Every member in good standing (that means your dues are paid) will receive tickets for four pints of whatever John has on tap. We will also be serving food and homebrew to the public so please bring something to eat and beer. The past few years this has been a really great meeting and I encourage everyone to attend.

Sudz in the City is coming up next month and Gary will have a sign up sheet for beer donations at the next meeting. This really gives the club some good exposure so please donate the best beer you are able to make. Remember we are going to be next to some pretty good craft breweries. If the beer that has been brought to the meetings is any kind of indication, this club can really brew some decent beer.

June is fast approaching and with it comes Beer and Loafing in Las Vegas. If you register by May 15th you will receive some really nice discounts. I have already booked my room and as soon as my taxes are paid will be signing up for the whole package. I hope to have everyone there with me.

In closing I would like to remind everyone that there are many ways to help the club. If you are interested in doing a demonstration brewing session, hosting a meeting or taking on a special project please let any of the staff know and we would be glad to except the help. I look forward to seeing all of you at the Bog.

Cheers,

Trevor
