# San Joaquin Valley Worthog Review

## A Message from the President ...

Well May is here and what a great month for beer.

The Exeter Brewfest and Sudz in the City. Who could ask for more? I hope everyone was able to contribute beer to Sudz. If you had the chance to go to Exeter, I hope you enjoyed yourself.

I hope everyone had a good time at the Body in the Bog. I know I did! The ESB I brewed will be served at Sudz, so get your tickets now if you want to taste it.

Congratulations goes out to our very own Donna Daniels and Dennis Griffin, who's American Lager scored a third place finish in the California regional for the National Homebrew Competition. If I'm not mistaken that makes them eligible for the 2nd round. Great job Donna and Dennis!

June is fast approaching and with it comes the National Homebrewers Conference in Las Vegas. I have just purchased my tickets and have my room reserved. I hope to see everyone there with me. It should be a great time.

Next meeting is going to be May 22nd at Bencomo's Homebrew Supply. I planned it for the week after Sudz so if we find anyone interested in brewing they can be invited. While they are at the meeting maybe encourage them to buy a ticket for the Pub Crawl and join the club.

The Pub Crawl is scheduled for July 24th. It is going to be in San Francisco and the bay area. This should be a blast. I really hope everyone can make this. I have a feeling that this will be talked about this one for years. We will have more information at the next meeting.

In closing I would like to thank everyone for supporting the club by doing things like donating beer and volunteering there homes for meetings. I really do appreciate all the help and you make it feel great to be the President of such a wonderful organization.

I look forward to seeing everyone at the next meeting.

Cheers,  
Trevor
